

Wonderful Oddities Shop- The Oddities Collection

Step into the Wonderful Oddities Shop, a place where the mysterious and the enchanted intertwine. Tucked away in a forgotten alley, this shop offers rare artifacts imbued with magic, each carrying its own secrets and curses. Browse with caution—every item has a story, and some may change yours forever.

ChronoLens Camera (Standard Edition)

- A beautifully aged **polaroid camera** wrapped in **cracked leather**, its buttons cold to the touch.
- When you take a picture, the film develops into **a moment in time—not the present, but either past or future.**
- A faint humming sound echoes before the image reveals itself.
- 2,000 SGD

ChronoLens Camera (Limited Edition)

- Prints moving **ghostly images**—a scene unfolding before your eyes.
- If the **photo develops in red hues**, you have witnessed a **moment fated to change your life forever.**
- The camera occasionally trembles in your hands, as if resisting the secrets it reveals.
- 3,500 SGD

ChronoLens Camera
(Limited Edition)

ChronoLens Camera
(Limited Edition)

ChronoLens Camera (Cursed Edition)

- Every photograph contains a **shadowy figure**, lurking somewhere in the frame.
- Each time you use it, the figure **appears closer to you** in the next photo.
- The lens sometimes fogs up with an eerie breath, even when untouched.
- 500 SGD

ChronoLens Camera
(Cursed Edition)

ChronoLens Camera
(Cursed Edition)

Elixir of Renewal (Standard Edition)

- A **ruby-red liquid** stored in a delicate **glass vial**, sealed with wax.
- **One sip**, and any injury—from **minor cuts to shattered bones**—vanishes in seconds.
- The air smells of fresh rain and blooming roses when uncorked, hinting at its purity.
- 400 SGD

Elixir of Renewal (Limited Edition)

- Heals wounds and **restores youth**, erasing scars and aging by **5 years per sip**.
- But be warned: for every year gained, a **memory is lost**—a fair exchange, some might say.
- The liquid swirls hypnotically, reflecting glimpses of forgotten moments.
- 700 SGD

Elixir of Renewal (Cursed Edition)

- The elixir still **heals any wound instantly**, but the injury **transfers to someone you love**.
- You won't know **who** until it's too late.
- The vial occasionally shudders, as if something inside it is trying to escape.
- 100 SGD

Whispering Quill (Standard Edition)

- A quill made from the **feather of an unknown bird**, always wet with **black ink that never runs dry**.
- When left on parchment, it **writes messages from unseen spirits**, revealing **secrets, forgotten memories, or hidden truths**.
- Sometimes, it moves on its own, sketching cryptic symbols.
- 200 SGD

Whispering Quill
(Standard Edition)

Whispering Quill (Limited Edition)

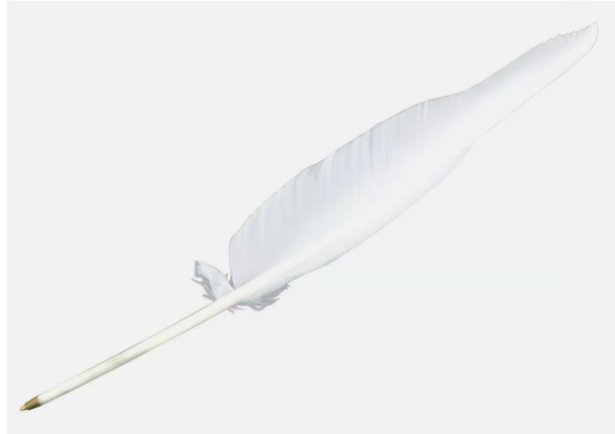

- Instead of spirits, the quill **writes out prophecies**, visions of what is to come.
- The ink **shifts in colour** depending on the danger of the fate being foretold.
- The whisper of a voice can sometimes be heard as it glides over paper.
- 500 SGD

Whispering Quill
(Limited Edition)

Whispering Quill (Cursed Edition)

- Instead of messages, the quill **writes your exact moment of death.**
- The **date remains blank**—until the day arrives.
- The ink never smudges, as if fate itself ensures clarity.
- 100 SGD

Whispering Quill
(Cursed Edition)

Starlight Jar (Standard Edition)

- A **crystal jar** containing a **shimmering orb of starlight**, pulsating with warmth.
- When whispered to, the light **flickers to respond**, guiding the holder towards a **place of destiny.**
- The glow dims when danger is near.
- 800 SGD

Starlight Jar (Limited Edition)

- Once in its lifetime, the star **grants a wish**—but no one knows **the price it will demand.**
- Legends say some have **wished for immortality**, only to find themselves **trapped in time.**
- The jar occasionally vibrates, as if something inside stirs restlessly.
- 1200 SGD

Starlight Jar (Cursed Edition)

- Instead of light, the jar **emits pure darkness**, revealing **invisible creatures** lurking around you.
- But are they always there... or has the jar **summoned them?**
- The glass is unnervingly warm, like something is breathing inside.
- 200 SGD

Shadow Cloak (Standard Edition)

- A **midnight-black cloak** woven from **woven void-silk**, cold to the touch.
- Wrap it around yourself, and you can **step into any shadow and emerge from another nearby**.
- Occasionally, whispers from unseen figures are heard when worn.
- 3,000 SGD

Shadow Cloak
(Standard Edition)

Shadow Cloak (Limited Edition)

- A **Purple cloak**.
- Grants **13 minutes of true invisibility** per night.
- But **each use erases a fragment of you** from people's memories.
- The fabric feels heavier with each use, burdened by forgotten identity.
- 5,000 SGD

Shadow Cloak
(Limited Edition)

Shadow Cloak (Cursed Edition)

- Works the same as the standard version, but each time you use it, you **become less human**.
- Use it too often, and one day, you will **never return from the shadows**.
- The cloak occasionally tightens on its own, as if reluctant to let go.
- 600 SGD

Shadow Cloak
(Cursed Edition)

Hourglass of Regret (Standard Edition)

- A delicate **golden hourglass**, its sand shimmering like **crushed diamonds**.
- When flipped, time **reverses by exactly one hour**.
- The glass vibrates slightly, as if resisting fate's interference.
- 900 SGD

Hourglass of Regret (Limited Edition)

- Grants the user **a full hour of redo**, but the more you use it, the more reality **fragments**.
- Sometimes, echoes of past mistakes whisper from the glass.
- 1500 SGD

Hourglass of Regret (Cursed Edition)

- Instead of rewinding one hour, it **traps you in an endless 60-second time loop**.
- The only way out is for **someone else to break the glass**.
- A faint ticking sound grows louder the longer you hold it.
- 100 SGD

Moonstone Compass (Standard Edition)

- A beautifully crafted **brass compass**, its needle **never pointing north**.
- Instead, it leads to **what your heart secretly longs for**.
- The needle quivers when near great danger or deception.
- 1,500 SGD

Moonstone Compass (Limited Edition)

- Can lead to **hidden realms** beyond our world.
- Some say it unlocks pathways to forgotten places where time stands still.
- 2,500 SGD

Moonstone Compass (Cursed Edition)

- Always points to the **last person who thought of you**.
- If it starts **spinning wildly**, someone **obsesses over you dangerously**.
- The metal occasionally feels unnaturally warm, as if touched by unseen hands.
- 150 SGD
